ALABAMA GOLD LIFE INSURANCE COMPANY. The advertisement of this insurance company appears in our columns, and we desire to direct the attention of persons contemplating life insurance to its advantages and business. The officers of the company are warmly commended for their sagacity, prudence and skill in the management of its affairs, and to-day its business reaches from the Potomac to the Rio Grande, while the stock is above par, the dividends handsome and satisfactory to the stockholders, and the payment of claims always prompt—standing the crucial test by singular fairness in the adjustment of its losses. Since the company was inaugurated in 1869, there has been paid out \$400,000 in death claims, and its policies now number nearly six thousand, while its cash capital amounts to \$800,000. The contract for life insurance is one of the most sacred that can be made between man and man, as it deals with the most holy affections and sympathies of the human heart. It is a bargain to be fulfilled in honor, after the principal contractor has gone out of life. Hence, in choosing the company in which to repose this solemn trust, one cannot be too careful to exercise prudence and judgment in making the selection, so as to make certain that its management will protect his interests. This guarantee is abundantly afforded by the Alabama Gold Life, and to the people of Anderson this company has been favorably introduced by Gen. Stephen D. Brown, who is so well known amongst them for exalted character and business qualifications. A local Board of Directors was organized last summer, and Capt. Wm. Waties is the authorized agent of the company. He is engaged in canvassing the country at this time, and will take pleasure in explaining the condition, prospects and reliability of the company to any desiring insurance.

SPECIAL NOTICES. Dr. Tut's Expecto-rant. This unrivaled preparation has performed some of the most astonishing cures that are recorded in the annals of history. Patients suffering from the various diseases of the lungs, after trying different remedies, spending thousands of dollars in traveling and doctoring, have by the use of a few bottles entirely recovered their health. A soldier from Alton, S. C., writes: New York, August 30, 1872. DR. TUTT—Dear Sir: When in Alton last winter, I used your Expecto-rant for my cough, and realized once benefit from it than anything I ever took. I am so well that I will not go to Florida next winter as I intended. Send me one dozen bottles by express for some friends. ALFRED CUSHING, 123 West Thirty-first Street.

Remember This. Now is the time for Pneumonia, Lung Fever, Coughs, Colds, and fatal results of prodisposition to Consumption and other Throat and Lung Diseases. Bosche's German Syrup has been used in this neighborhood for the past two or three years without a single failure to cure. If you have not used this medicine yourself, go to your Druggist, Willite & Williams, and ask him of its wonderful success among his customers. Two doses will relieve the worst case. If you have no faith in any medicine, just buy a Sample Bottle of Bosche's German Syrup for 10 cents and try it. Regular size Bottle 75 cents. Don't neglect a cough to save 75 cents.

Prepare for Winter. Don't let the cold winds of winter find your windows without washes, or good whole rooms, but have them fitted at once from the manufactory of Mr. P. P. TOALE, whose advertisement is in another column. He is also sole agent for the "National Mixed Paint Co.," who warrant their paint not to crack, peel or fade. Any one can apply it.

ANNOUNCEMENTS. The friends of JAMES H. MCCONNELL respectfully announce him as a candidate for Sheriff of Anderson County at the next election.

The many friends of W. T. GRUBBS announce him as a suitable person for the office of Sheriff at the next ensuing election. Help our one-arm Confederate soldier.
